

# CAC Executive Profiles

## **Shubh Singh, President, Case Analysis Club**

Shubh is extremely passionate about case interviews and case competitions and he sees it as a way to develop problem solving, critical thinking, and communication skills. He has over 3 years of experience in Business Consulting within Retail, Digital, and Mobile Strategy. If you would like to get in touch with Shubh, drop him a line at [ksingh16@schulich.yorku.ca](mailto:ksingh16@schulich.yorku.ca).

## **Janani Jayakumar, Vice President, Case Analysis Club**

Janani is an International MBA student who plans to focus on Strategy and Operations. She has 5 years of experience in Product Development in the Aeronautics and the Automotive industries. She also has about 2 years of experience founding and managing a boutique fitness studio. During Summer 2016, she interned with Hyundai Canada in Corporate Strategy division. She holds an Undergraduate degree in Computer Science and Engineering from India. She is interested in Strategy Consulting.

## **Abhi Chand, VP of Corporate Outreach, Case Analysis Club**

Abhi is a Greenbelt Six Sigma certified professional specializing in market research, brand management, business strategy, quality improvement and process re-engineering. He is a multi-lingual project manager with extensive experience in identifying operational gaps, designing and implementing new processes and focusing on risk mitigation. Abhi is proficient in using strong research, training, cross-cultural communication, and interpersonal skills. He is the Owner/ Cofounder of Gurusukh Vintrade Services Pvt. Ltd. and as an entrepreneur, he helped build the business from the ground up, often travelling around Southeast Asia and China to forge lasting relationships.

**Aditi Sharma, VP of Professional Development, Case Analysis Club**

Aditi is an IT Consultant with over 5 years of work experience with multiple MNCs and varied clients.

She had the opportunity to work at the interface of business and technology.

Specializing in Strategy and Operations at Schulich, Aditi is a confident leader and an innate ability to take initiative. She is serving as the VP Professional Development at Schulich Case Analysis Club.

**Azmin Gova, VP-Communications, Case Analysis Club**

Azmin earned an Honors BBA with a major in Accounting from NAIT in her hometown of Edmonton, Alberta. She started her postgraduate career in the non-profit sector during which she also completed her CMA designation. Azmin's true passion is for people and change, a calling she realized while obtaining her Lean Six Sigma Certification. It is this passion that led her to the Schulich MBA where she is specializing in Strategic Management and Organizational Studies. Azmin's goal as VP of Communications is to ensure that the student body is thoroughly able to benefit from all of the events, workshops and resources that the CAC has to offer.

**Glen Ignatius, VP of Finance, Case Analysis Club**

I am 2017 MBA Candidate with 4 years of work experience in international financial institution. My interest is in corporate banking, trade finance, and investment. Future development required including case analysis and strategic management. Looking forward to working with you all.

**Rahul Makhija, VP of Technology, Case Analysis Club**

Rahul Makhija has a B.E degree in Computer Engineering. He has an experience of 3.5 years working as a Software Engineer in the Telecom domain. He is passionate about solving cases and enjoys challenges and problem solving activities. Currently he is pursuing his MBA with concentration in Strategy and aspires to be a technology consultant.

**Sasan Zadeh, VP of Case Competitions, Case Analysis Club**

Sasan Zadeh has a BSc and MSc in Mechanical Engineering. In the past four years, he has worked for a variety of industries such as Mining, Power Electric and Oil&Gas. He is now working as a Project Manager at Shawcor Ltd. in Toronto.

**Umai Ravi, VP of Event Management, Case Analysis Club**

Umai Ravi completed his undergraduate studies in Psychology at Queen's University. He went on to work in operations management for a few years before deciding to switch things up and head back to school to pursue an MBA from The Schulich School of Business. After graduation he hopes to pursue a career in the finance sector.
