

Manbassadors @WIL

WIL Manbassador's mission is to actively encourage all members of the Schulich community to engage in a productive, barrier-free, ongoing conversation about gender issues and to encourage male students to advocate for gender equality and women's empowerment.

Schulich is the first Canadian business school to join the Manbassador movement. This initiative offers a platform for men to get involved and broaden their understanding of gender issues at events and to engage in discussion on social media.
