

# Net Impact Executive Profiles 2017-18

## **Brett Christie - *President***

Brett is an MBA Candidate at the Schulich School of Business, focusing on Business & Sustainability. She began her career seven years ago at Maple Leaf Sports and Entertainment (MLSE) where she gained experience with the non-profit sector through a position with the organization’s charitable arm, the MLSE Team Up Foundation. She then earned a position on the Marketing Services team where she was exposed to all facets of the Toronto sports franchise giant and gained valuable brand and project management experience. Her passion for the outdoors and adventure, then drove her out West to live in British Columbia where she began working for lululemon athletica. With much respect for the company’s focus on people and leadership development, she spent close to five years on the Retail Operations team out of the company’s headquarters in Vancouver where she further honed her project management skills and gained tremendous experience leading teams from all areas of the business through new store opening projects.

## **Christina Renaud Milhomen - *Vice-President and Conference Chair***

Christina is an MBA Candidate at the Schulich School of Business. Qualified as a lawyer in 2007, she graduated with merit from the LLM programme in Financial Law at King’s College London (UK) and obtained a diploma in Investment Compliance at Chartered Institute for Securities & Investment (UK), from which she received the Euroclear Prize in Memory of Andrew Winckler. She has focused her career in the investment management industry and gathered 7+ years of professional experience in Brazil, UK and Switzerland. She aims to use her skills and experience to contribute towards social and environmental change by working with impact investing.

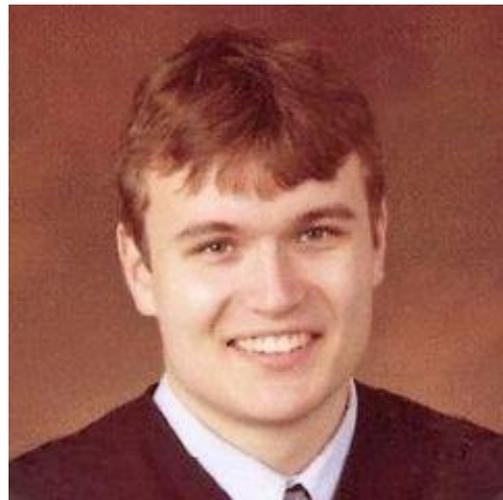

**Jonathan Hung King Sang** - *Director, Net Impact Central Liaison*

Jonathan is an MBA candidate at the Schulich School of Business. In 2009, he began his career at Suncor Energy in Fort McMurray, AB, where he gained experience in various operational roles before moving to the Calgary, AB head office in 2013. There, he worked on advancing technologies to meet Suncor's sustainability goals, leading him to a deeper interest in business and sustainability and eventually deciding to pursue an MBA at Schulich in 2017. Jonathan is passionate about helping the business sector drive transformational environmental and social change. As a native of Calgary, AB, Jonathan holds a B.Sc. in Chemical Engineering from the University of Calgary's Schulich School of Engineering, and is a registered Professional Engineer with the Association of Professional Engineers and Geoscientists of Alberta (APEGA). Outside of school, Jonathan enjoys hiking, travelling with his wife and playing the guitar.

**Dmitry Permyakov** - **Director, Finance**

Dmitry is an MBA Candidate with a focus in Corporate Finance and Management Consulting. He has an undergraduate degree in Accounting from the University of Alberta and is a registered CPA Candidate. Dmitry currently works as a Commercial Account Manager with RBC, leveraging his strong background in consulting, entrepreneurship, project accounting, and auditing with General Electric Capital. He also serves as the Director of Finance for both the Student Finance Association (SFA) and Net Impact. Upon graduation, Dmitry hopes to continue to grow his leadership potential within the banking industry or work as a management consultant in a top tier firm.

**Dhruv Chaudhary** - *Director, Marketing and Communications*

Dhruv is an MBA Candidate at the Schulich School of Business. He holds a bachelor's degree in civil engineering and a masters degree in environmental engineering. He has worked as a project manager in the infrastructure sector, helping organizations such as the World Bank and Asia Development Bank implement sustainable waste management and sanitation solutions through large scale development projects.

**Neha Sethi** - *Co-Director, Marketing and Communications*

Neha is a full-time MBA candidate at Schulich, focusing on Marketing and Sustainability. A graduate of Sociology and Anthropology, Neha has worked in the development sector based in India for 3 years in multi-functional roles involving applied research, content and marketing. Her work has spanned social enterprises, non-profits and think-tanks, notable among them being Value for Women and the International Center for Research on Women (ICRW). Neha also speaks French and Spanish, and has spent a year studying International Relations in Paris.

**Sumedh Agarwal** - *Director, Sponsorship*

Sumedh is an MBA Candidate at the Schulich School of Business, specializing in operations (Supply Chain) and sustainability. He is an electrical engineer who has worked for Bestech India Pvt Ltd, a leading real estate developer in India, as a project engineer managing electrical assets with outlay of about \$1.5 million of a commercial project with 700,000 sq. feet and helped in optimize space for electrical equipment so that electrical standards are enforced and maintenance is eased.

**Juliana Herman** - *Director Part-Time affairs*

Juliana is an MBA Candidate at the Schulich School of Business. She is an accomplished Technical Sales and Business Development Professional with over 13 years experience in the manufacturing sector (coatings, lubricants and thermosets). She has consulted Fortune 500 companies internationally - Canada, USA, Mexico & Germany (automotive, aerospace, electric & electronic manufacturers).
