

Net Impact Past Events 2016-17

EXECUTIVE LUNCHESES

- Executive lunches with Schulich alumni and Industry Professionals
- A small group of MBA students get together for lunch with Schulich alumni in sustainability for more intimate and rewarding conversations on career growth, opportunities and development in the industry.

SPEAKER SERIES

- Schulich alumni and Industry professionals are invited as panelists to speak on dedicated themes related to the emergence and importance of Sustainability across industries and functionalities, Sustainability as a profession, sectors within Sustainability and career advice for MBA students.

CASE COMPETITIONS

- Support for internal and external case competitions on Business Sustainability.

NET IMPACT GLOBAL

- As one of the many graduate chapters of the global non-profit Net Impact, Net Impact Schulich has access to many events and networking opportunities for members, which include the Net Impact Annual Conference in Philadelphia (November), NI-Local speaker events, fellowships, global internship opportunities and much more.

360 ON BUSINESS SUSTAINABILITY: THE NET IMPACT SCHULICH ANNUAL CONFERENCE HOSTED AT SCHULICH

- This annual event is an opportunity for us to bring together great minds from across different sectors and fields who are choosing to rethink and reshape the way business practices are viewed and conducted today. The day-long event will feature a key-note, panel discussions, workshops and networking sessions.

ALUMNI MENTORSHIP PROGRAM

- Student members will be paired with Alumni who have specialized in business sustainability are working in that industry. This will give the students an opportunity to understand the industry from professionals and also seek guidance and tips to navigate their careers better. Also, it gives students the chance to interact with alumni and build their professional network.
