

Net Impact Proposed Events 2017-18

Fall mixer (Beginning of October): Meet the executive team and your fellow club members. Make a few new friends and discover who of your fellow students believe that business can be a force for good.

Annual 360 on Sustainability Conference Hosted at Schulich (March): Keynote speakers, panel discussions and networking opportunities with professionals from a wide range of disciplines under the “sustainability” umbrella.

Net Impact Annual Conference in Atlanta (Oct 26-28): The Annual Net Impact Conference guides attendees to their career with impact. For NI17 we’re creating an experience unlike any conference you’ve been to before. We’ll help you map out your Path to Purpose to turn your passion into a purposeful career by gaining tangible skills and actionable insights.

Executive lunches (monthly starting in October): Approx. 6 students have lunch with a professional in the field of sustainability for an intimate networking and learning experience.

Workshops (Dates TBD): Hands-on learning opportunities concerning The UN Sustainable Development Goals (SDGs), using ESGs as an investment ranking tool, using the GRI (Global Reporting Initiative) as a guide for sustainability/integrated reporting, and the Sustainability ROI Workbook – The Business Case for Sustainability.

Webinars (Dates TBD): Expand your network and understanding of the sustainability field beyond the scope of Toronto with Webinars hosted by international organizations.

Office tours (Dates TBD): Visit the offices of prominent businesses working towards making positive change and understand the scope of different roles and opportunities

Case Competitions: Find out about the latest case competitions focused on sustainability through our wide network

Networking opportunities with professionals from a range of disciplines in the field, both formal and informal
