

SFA Planned Events, 2016-17

October - Career Panel (ft. Schulich Finance Alumni Association)

Come and meet with SFAA and industry professionals, who will share their experiences in different functions of finance and answer your questions.

November - Case Competition

A great opportunity to experience the life of a finance associate. Participants will have 2-3 days to work on a case and present recommendations to a panel of industry experts.

January 20, 2017 - Day on Bay (ft. Career Development Centre)

This is our flagship event and one of the largest student events, and includes several presentations and networking sessions with industry professionals and recruiters from the top 10 Canadian financial institutions.

Various Dates - Marquee Group Financial Modeling Workshop

Develop and hone your Excel and Financial Modeling skills and expand your network with the Marquee Group, which is renowned for its modeling, banking and finance expertise.
